C-VS-1300-TBZ shown with optional armrest and mic clip bracket

This new vehicle-specific OEM replacement console provides professional and custom appearance. The console is manufactured from laser cut steel to precisely fit with OEM floor shifter and hand brake. The formed steel housing and extruded aluminum top frame provide strength for mounting up to 13" of emergency equipment.

Unique Design

Provides equipment mounting in an application where space is very limited. Single extra large cup holder is included.

Installation

Removal of the OEM rear arm rest is necessary for new vehicle specific console placement. Permanent modification (cutting plastic) is required. Rear seat AC controls and air duct are also removed. New console mounting requires no drilling.

Recommended Options

Computer Mounting
 is made easy with the C-TCB-32 telescoping computer base.

Mic Clip Bracket
 The C-MCB is an effective & versatile way to hold your radio mic.

Large Padded Armrest
 The C-ARM-3 "flip-up" armrest is comfortable yet extra durable.

Accessory Pocket
 Order the C-AP accessory pocket for more internal storage space.

K9 Transport Unit
 Order KK-K9-C16-K to convert your vehicle for K9 transport.
