

Universal LED Hideaway™ (Patent Pending)

HEADLIGHT, CORNERING OR TAILLIGHT ASSEMBLY

Officially Licensed
Warning Lights Of
NASCAR®

The versatile answer for putting LED power performance in the headlight and taillight assemblies of your vehicle!

The Universal LED HIDEAWAY requires only a tiny 3/4" hole in any composite style headlight, cornering light or taillight assembly (uses the same footprint as the HA238). Small size means mounting versatility in almost any vehicle! And, the new high intensity LED light source provides omni-directional light that fills the reflector and delivers true wide angle warning to the front and rear of your vehicle.

FEATURES

- Multiple Scan-Lock™ flash pattern selection.
- Die-cast aluminum base.
- Tiny 3/4" mounting hole.
- Backward compatible to HA238 and standard 1" Hideaway style lights.
- Fully encapsulated lamp driver.
- Six position waterproof connectors, standard.
- Omni-directional LED lighthouse fills reflector with wide-angle light.
- Encapsulated for moisture and vibration resistance.
- Available in red, amber, green, white and blue.
- Dimensions: Height 2" (50mm) H x 1-3/4" (44mm) Dia.
